**1. Introduction to the meeting**

The chair welcomed all members of the committee and other attendees present to the meeting.

**2. News and announcements**

The chair offered news and announcements, and noted committee members who had given apologies for the meeting.

**3. Minutes of previous meeting**

The committee agreed the minutes from the 22 June 2018 committee meeting.

**4. MT336 The IN.PACT drug-coated balloon for femoro-popliteal peripheral arterial disease – Final guidance recommendations**

**Part 1 - Open session**

The chair welcomed the invited experts, external assessment centre representatives, members of the public and company representatives from Medtronic. The chair then explained the code of conduct to the members of the public observing the meeting.

The chair asked all committee members, experts, NICE staff and observers to declare any relevant new interests in relation to the technology being considered.

- Mr Steve Fearn declared a personal specific financial interest ahead of the meeting as he is employed by Abbott who produce a competitor product to the technology being considered.
  - It was agreed that his declaration would prevent Mr Fearn from participating in this section of the meeting and he was not present in the room for this item on the agenda.

The committee was asked if there were any specific equality issues to consider in relation to the technology being considered.

The topic was introduced by the committee lead Dr Mike Burrows, with Dr James Lenton & Mr Daniel Carradice providing expert advice.

#### **Part 2 - Closed session**

The committee then proposed final recommendations on the technology and these recommendations were reached by consensus.

### **5. MT355 iFuse for treating chronic sacroiliac joint pain – Final guidance recommendations**

#### **Part 1 - Open session**

The chair welcomed the invited experts, external assessment centre representatives, members of the public and company representatives from SI-BONE, Inc. The chair then explained the code of conduct to the members of the public observing the meeting.

The chair asked all committee members, experts, NICE staff and observers to declare any relevant new interests in relation to the technology being considered. No new interests were declared.

The committee was asked if there were any specific equality issues to consider in relation to the technology being considered.

The topic was introduced by committee leads Mr Steve Fearn & Professor Shaheen Hamdy, with Mr Mark Thomas and Mr Sashin Ahuja providing expert advice.

#### **Part 2 - Closed session**

The committee then proposed final recommendations on the technology and these recommendations were reached by consensus.

### **6. Date of the next meeting**

The next meeting of the medical technologies advisory committee will be held on Friday 21 September 2018 and will start promptly at 10:00am. The meeting will be held at the NICE Manchester offices, Level 1A City Tower, Piccadilly Plaza, Manchester M1 4BT.
