Mr Kieran Murphy
Professor Keith Wheatley
Mr David Sissling

Note: The order in which the Committee took items of business at the meeting might differ from the agenda

Introduction to the meeting

The Chairman welcomed the Committee Members and observers – specifically

Miss Hawra Abu Gulal - appointed as Programme Manager –
Interventional Procedures Programme (covering Bijal Joshi's
maternity leave)
Ms Sally Brearley – New Lay representative
Dr Andrew Sims - Newcastle and York External Assessment Centre
Dr Moti Yadegarfar - Academic FY2 doctor

The Chairman also welcomed the members of the public present at the meeting.

Code of conduct for members of the public attending the meeting

The Chairman outlined the code of conduct for the members of the public attending the meeting.

1. Any Other Business

The Chairman informed the Committee that the password will be changed for the DIG-IPAC share folder every month. The Chairman also reminded the Committee that the equality issues are in the brief and are the responsibility of all Committee members not just of the lay members. When each Committee member introduces the brief they should remind all members to read the equality issues.

2. Minutes of previous meeting

The Chairman informed the Committee that the minutes for the April 2017 IPAC meeting will be included in the DIG-IPAC for June 2017 so that IPAC members can review it.

3. Matters arising

None.

4. Agenda changes

The chairman informed the Committee that **IP1505 Transcutaneous microwave ablation for axillary hyperhidrosis** will be discussed after lunch as the specialist advisor for this procedure, Peter Prendergast, will be joining via teleconference at 1:40.

5. NICE's Advisory Body guide to declaring a conflict of interest

The Chairman drew the Committee's attention to NICE's advisory body quick guide for declaring conflicts of interest.

6. Newly Notified Procedures

IP1524 A processed nerve allograft for the reconstruction of a peripheral nerve discontinuity

The discussion on **IP1524 A processed nerve allograft for the reconstruction of a peripheral nerve discontinuity** started at: **10:40**

Colin Howie declared a non-specific type of interest and stayed for the discussion.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

The procedure was introduced by **Alistair Jenkins** and **Colin Howie**.

The Chairman declared a Part Two and members of the public left the meeting at **11:24**.

The Committee made its provisional recommendations on the safety and efficacy of the procedure.

The discussion on **IP1524 A processed nerve allograft for the reconstruction of a peripheral nerve discontinuity** ended at: **11:55**.

7. Public Consultation comments

IP685/3 Transcatheter aortic valve implantation (transcatheter aortic valve replacement) for aortic stenosis

The discussion on **IP685/3 Transcatheter aortic valve implantation (transcatheter aortic valve replacement) for aortic stenosis** started at: **12:00**.

No conflicts of interest were declared for this procedure.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

The procedure was introduced by **Stephen Holmberg**.

Dr Andrew Sims (Head of Department Northern Medical Physics and Clinical Engineering at Newcastle upon Tyne Hospitals NHS Foundation Trust) presented to the Committee.

The Committee considered the consultation comments and made changes to sections 1.2, 1.3, 1.4, 1.5, 2.0, 2.1, 2.2, 2.4, 3.1, 3.2, 3.3, 3.4, 6.1, and 6.4. Section 6.3 to be deleted.

The following study, identified during consultation, will be added to the main table of the Overview:

*Reardon MJ, Van Mieghem, NM, Popma, JJ, et al. (2017).
Surgical or Transcatheter Aortic-Valve Replacement in Intermediate-Risk Patients,
N Engl J Med. DOI: 10.1056/NEJMoa1700456*

The Chairman declared a Part Two and members of the public left the meeting at **12:53**.

The Committee upheld its decision on the safety and efficacy of the procedure.

The discussion on **IP685/3 Transcatheter aortic valve implantation (transcatheter aortic valve replacement) for aortic stenosis** ended at: **13:03**.

8. Newly Notified Procedures

IP1505 Transcutaneous microwave ablation for axillary hyperhidrosis

The discussion on **IP1505 Transcutaneous microwave ablation for axillary hyperhidrosis** started at: **13:46**.

Peter Prendergast joined via teleconference at **13:46**.

No conflicts of interest were declared for this procedure.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

The procedure was introduced by **Tom Clutton-Brock** and **Peter Prendergast**.

The Chairman declared a Part Two and members of the public left the meeting at **14:27**.

The Committee made its provisional recommendations on the safety and efficacy of the procedure.

Confirmed

The discussion on **IP1505 Transcutaneous microwave ablation for axillary hyperhidrosis** ended at: **15:05**.

IP973/2 Laparoscopic insertion of a magnetic bead band for gastro-oesophageal reflux disease

The discussion on **IP973/2 Laparoscopic insertion of a magnetic bead band for gastro-oesophageal reflux disease** started at: **15:09**.

No conflicts of interest were declared for this procedure.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

The procedure was introduced by **Tom Clutton-Brock**.

The following study, identified during consultation, will be added to the main table of the Overview:

Skubleny D, Switzer NJ, Dang J et al. (2016) LINX® magnetic esophageal sphincter augmentation versus Nissen fundoplication for gastroesophageal reflux disease: a systematic review and meta-analysis. Surgical Endoscopy and Other Interventional Techniques 1-7 15 Dec 2016.

The Chairman declared a **Part Two** and members of the public left the meeting at **15:18**

The Committee then made changes to section 4.1 and a new comment has been added to section 6.

The Committee upheld its decision on the safety and efficacy of the procedure.

The discussion on **IP973/2 Laparoscopic insertion of a magnetic bead band for gastro-oesophageal reflux disease** ended at: **15:31**

9. Briefs of procedures for future assessment

IP283/2 Mosaicplasty for knee cartilage defects

The discussion on **IP283/2 Mosaicplasty for knee cartilage defects** started at: **15:32**.

No conflicts of interest were declared for this procedure.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Confirmed

The procedure was introduced by **Colin Howie**

The title of this procedure changed to **Mosaicplasty for isolated knee cartilage defects.**

The Committee advised on the content of the brief for evaluation of this procedure.

The discussion on **IP283/2 Mosaicplasty for knee cartilage defects** ended at: **15:40.**

IP322/2 Percutaneous fetal balloon valvuloplasty for aortic stenosis

The discussion on **IP322/2 Percutaneous fetal balloon valvuloplasty for aortic stenosis** started at: **15:40.**

No conflicts of interest were declared for this procedure.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

The procedure was introduced by **Anthony Emmerson.**

The title of this procedure has not been changed.

The Committee advised on the content of the brief for evaluation of this procedure.

The discussion on **IP322/2 Percutaneous fetal balloon valvuloplasty for aortic stenosis** ended at: **15:49.**

10. Other meeting matters

None.

11. Date of the next meeting

The **159th** meeting of the Interventional Procedures Advisory Committee will be held on **Friday, 9 June 2017**, and will start promptly at 10:30. The meeting will be held at **NICE, Prince of Wales Suite, 10 Spring Gardens, London, SW1A 4BU.**

The meeting ended at **15:49.**
